**Narrative****SYNOPSIS:**

On 12/08/2018 at approximately 1714 hours, Julia Abrego was cited and released after 3 of her dogs Buddy, Bethaven, and Mona attacked their neighbor's dog causing serious injury.

**NARRATIVE:**

On 12/08/2018 at approximately 1556 hours I was dispatched to vicious animal call located at 9429 E. Guardian Ln in Hereford, AZ. The information received from dispatch was that the PR's dog had been injured by other dogs, and that they had shot at the dogs with a gun and had hit the other with a sledgehammer.

I arrived on scene at the above address and made contact with Aubrey Stram, Matthew Irwin, and Kathryn Botts. They explained that the neighbor who lives just South of them had their dogs get out and jump over their fence to attack their dogs within the fenced yard. Their dog a white and gray husky was obviously injured according to my observation.

I left the residence on Guardian and went to the neighbor's address which was discovered to be 9513 E. Olive in Hereford, AZ. I made contact with Julia Abrego who was the only person home. She stated she had not heard any barking, but had come out and heard gunshots. She stated she saw one of her dogs on the street trying to reenter her yard. She stated she ran back inside due to the gunshots. I told her to stay at her residence because I needed to return and talk to her.

I went to the Guardian address and asked if they had been shooting. They stated they shot a .357 handgun at the dogs trying to get them away, and that they had used a sledgehammer to keep the dogs away. They stated this was an ongoing issued with the neighbors dogs. They asked that I talk to another neighbor Kevin Hess, due to him witnessing the incident from his residence. It should be noted that Matthew Irwin and Aubrey Stram had shot the handgun at the dogs. It was mentioned that 3 of the dogs had attacked which were two brown ones and a brown and white one.

I made contact with Kevin Hess at his residence 9543 E. Guardian Ln in Hereford, AZ. He stated he heard a commotion of dogs barking and other noises, so he left his residence and

saw 2 brown dogs attacking his neighbor's husky. He stated he went over and assisted with running the dogs off of the property. I gave Kevin a Witness Statement and he stated he would fill it out.

Witness Statements were given to Botts, and Irwin also. They filled out the statements, and they have been attached for viewing. It should noted the incident was recorded via body camera, and the footage has been entered into evidence.

I returned to Abrego and informed her she would be cited for 3 of the dogs attacking the neighbor's dog. She was issued citation #123119 and citation #123120. I left the area soon thereafter. No further action was taken.
